

MILKLINE[®]
PARLOUR CLOUD

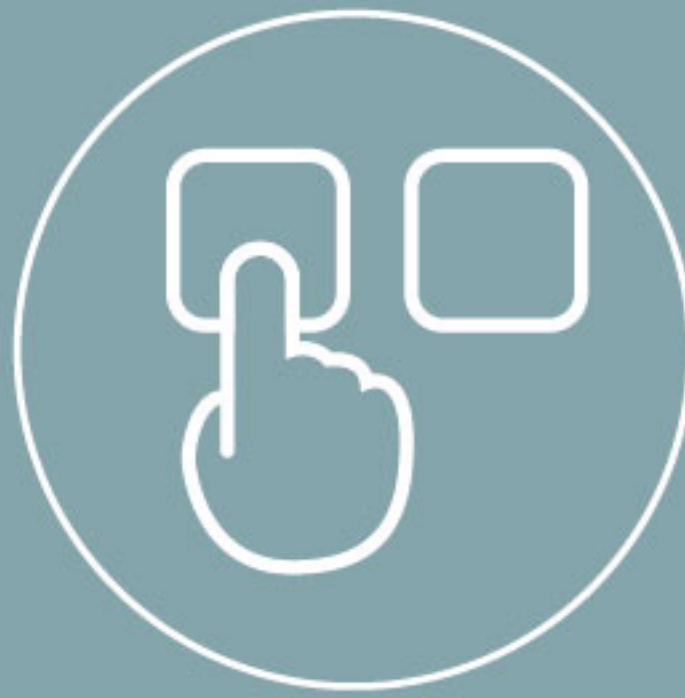

Your 3D milking parlour in

Real Time 

The **Unique Platform** that makes **your business** **easier** than ever.

1. Prepare and present your offer
2. Create and send your order
3. Follow your projects

1. Prepare and present your offer

Configure your milking parlour in **real time**. Through the **3D configurator** you can choose each milking component to create your **customized milking parlour**.

2. Create and send your order

Once your configuration is done, you can **easily send your order.**

3. Follow your projects

The **3D viewer** allows you a faster support wherever you are. To find your spare parts **just click on your 3D milking parlour**.
